Full Line of Cleaners

Plating Industry
 Industrial Manufacturing
 Food processing industries
 All metal alloys and plastics
 Spray, soak, electro & ultrasonic

ClarityClean Plating

Chemistries

Products & Services

Keeping the world
 Green, one project
 at a time

The Solution is Clarity For:

**Boiler
Cooling
Biocides
Waste Water
Safety & Compliance Training
Metals Recovery
Cleaning Chemistry
Phenol Destruct
Plating Chemistry
Closed Loop
Equipment
Odor Control
System Design
Consulting**

**Water and our Environment
the two most important resource.**

The ClarityChem, Inc. family of companies, offers over 30 years of industrial water, plating and chemical management expertise.

Boiler & Cooling Solutions

Scale, Corrosion Control, & Biocides

Odor Control Technology Products and Equipment

Waste Water Products and Equipment

Emulsion Breaking, Solids Settling, Metals Recovery
Phenol Destruct, Fracking Chemistries, BOD reduction

24 hour on site services

Personnel teams to manage facility daily operations.

ClarityChem Consulting Programs

Safety & Compliance Training

OSHA, DOT

ClarityClean Industrial cleaners

Food Processing Cleaners

Custom Cleaner design

Claritychem will design cleaners for soak, electro
and
ultrasonic cleaning projects.
